

RENTING IS THE NEW FLEXIBLE.

KÖGEL RENT

RENTING, LEASING OR BUYING – ANYTHING IS POSSIBLE.

Kögel Rent is trailer specialist Kögel's answer to the complex requirements of the trailer market. The new renting model offers maximum flexibility and minimises the risk associated with the total cost of ownership.

In line with its motto "Because we care", Kögel has precisely the right offer for every customer. The product portfolio in our rental fleet encompasses industry-specific solutions, which optimally fulfil the guiding principle of "Economy meets Ecology".

- ✓ **maximum flexibility**
- ✓ **complete cost control**
- ✓ **risk-free vehicle acquisition**

KÖGEL RENT TRAILERS

The world of logistics is in flux, and the competition is growing. The goal: save time and money, maximise profits, and don't lose sight of the environment. Balancing economy and sustainability is becoming increasingly difficult. With its motto "Because we care", Kögel offers the perfect solution for the growing requirements of the market. The premium manufacturer has its customers' interests at heart, and offers tailor-made solutions for the complex transport requirements of today and tomorrow.

Save money, increase profit. Kögel Rent is another important component and the logical consequence of this customer-orientated approach.

WE OFFER OUR CUSTOMERS THE PERFECT SOLUTION:

KÖGEL CARGO

The Kögel Cargo is the reliable partner for logistics companies who value a sturdy, durable trailer – but who also don't want too much on the scales in terms of its weight. The Cargo is available in a wide variety of frame and body variants and is therefore be the tailor-made answer for any fleet operator.

Further information and product details can be found here:

KÖGEL BOX

The Kögel Box trailer for logistics companies who value versatile use, a high payload, and transport security. Depending on how it is equipped, you can use this dry freight trailer to transport goods which are sometimes temperature sensitive, such as electronics, furniture, preserves, clothing and much more.

Further information and product details can be found here:

KÖGEL DEMOUNTABLE SYSTEMS

Road, Rail, Ship. With one of our demountable systems, you can easily swap your load between different modes of transport. Strongly made with high quality materials, the Kögel swap bodies are easy to operate. The Combi chassis and the Port container chassis distinguish themselves due to excellent driving characteristics. Choose one of our demountable systems to be the new backbone for combined transport.

Further information and product details can be found here:

KÖGEL COOL – PURFERRO QUALITY

The Kögel Cool – PurFerro quality is designed specially for the specific market requirements of refrigerated transport. The Kögel Cool is characterised by high stability and durability, thanks to user-friendly, low-wear aluminium floor and sandwich panels, which are resistant to stem diffusion, with a steel top layer from our in-house competence centre. Thanks to numerous special equipment options, it can be modified to customer preferences and country-specific requirements.

Further information and product details can be found here:

KÖGEL TIPPER TRAILER

Kögel tipper trailers are noted for low maintenance costs, good driving characteristics and high stability. Available with a steel and steel-aluminium tipper body, it is the ideal transport solution for bulk material of all kinds. The low tare weight of the steel-aluminium combination enables increased payload and saves fuel, as well as reducing CO₂ emissions.
